2 Introduction

2.1 About this Manual

Please take a look at the Step-by-Step manual “Qualifications and Finals” before continuing with this manual.

To run 10m and 50m single stage finals, proceed with the steps in this manual.

Note: Any rule changes on the side of ISSF might be not considered. Always consult the latest ISSF Rulebook.

3 Finals

3.1 Information

- Name of the firing points A ... H
- Position in Finals is random
Check the nations. Athletes from the same nation should not be placed next to each other. In this case, change the firing point manually and generate a new start list.
- Deductions:

for violations occurring before the first MATCH shot will be applied to the score of the first MATCH shot. Deductions for other penalties will be applied to the score of the shot where the violation occurred.
Please see the SIUSRANK **Step by Step Manual “Special Cases”**, how to handle penalties.
- After the 12th shot: first elimination
- After the 14th shot: second elimination
- After the 16th shot: third elimination
- After the 18th shot: fourth elimination
- After the 18th shot: fifth elimination
- After the 20th shot: sixth elimination
- After the 22th shot: seventh elimination (bronze medal)
- After the 24th shot: gold and silver medals are decided

3.2 Conduct a Final

See table below

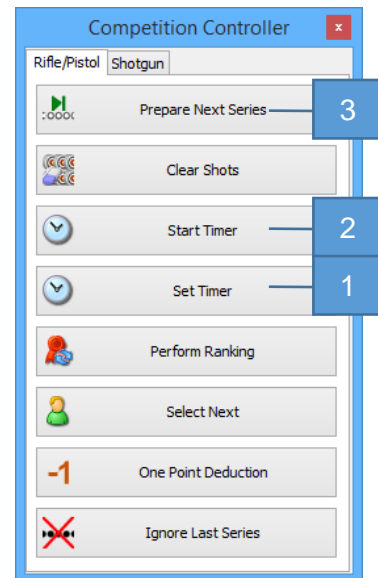

1. Set the timer
The allowed time for a shot/series will be set automatically.
Sighting time must be entered manually.
2. On command "Start!", start the timer.
3. After every series press "Prepare Next Series"
(the next shot group is enabled and shown on the scoreboard).
4. If there is a score tie, when an elimination takes place,
SIUSRank will show "Shoot-off".
No action is needed here; just continue with the Shoot-off.
5. Create a Rank List when the final has finished
